Résolution de problèmes

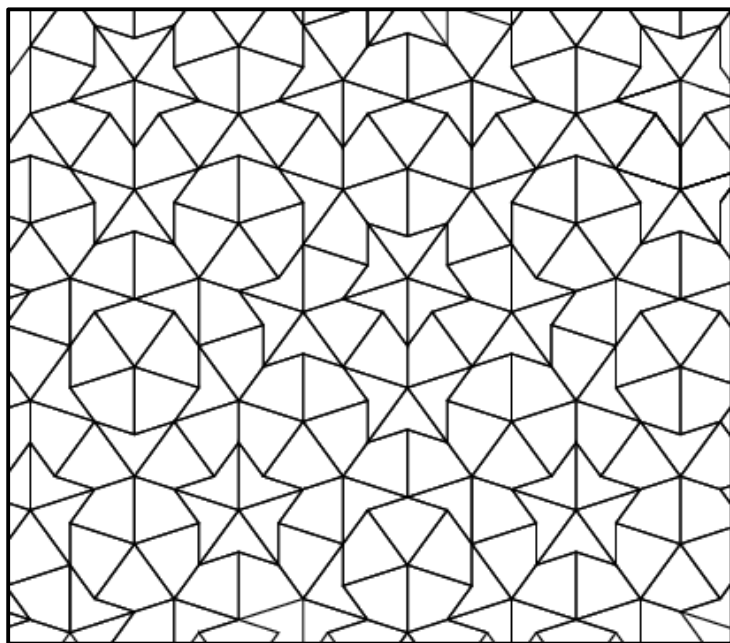

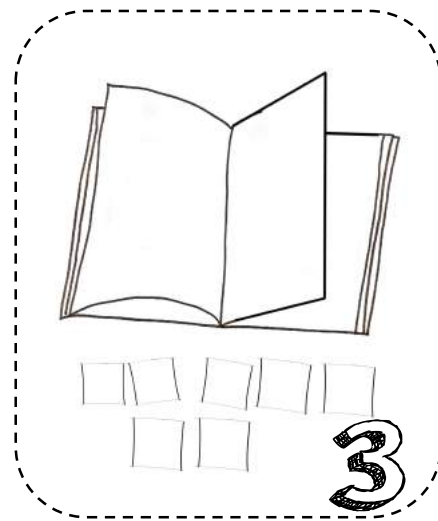

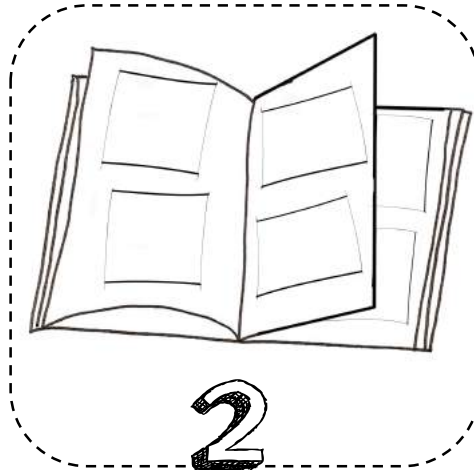

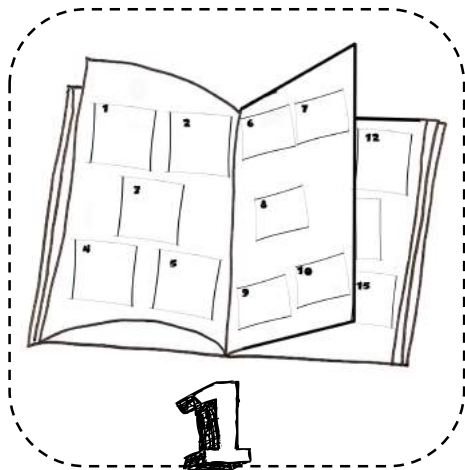

Je cherche le dessin qui va avec la situation

Semaine 3 période mars

- 1 Mathias a ramassé 18 œufs e matin et les range dans des boîtes de 6.
Combien de boîtes lui faut-il ?

- 2 Emilien colle 5 images sur chaque page de son album.
Il remplit trois pages et lui reste deux images.
Combien d'images possède-t-il ?

Colorie
le pavage
